Thursday 21st December  
END OF TERM

morning session ends 11.00  
Afternoon and 30 hours  
2.30

THANK YOU

### WELCOME TO THIS WEEKS ROUND UP OF ACTIVITIES AT BIRCHFIELD NURSERY

Last week of half term certainly seemed to take its toll on our little ones and there have been lots of sleepy and poorly 'Birchfielders'. Thank you for being so proactive and using the school app to keep us informed of absence.. We do encourage good attendance but also understand that at this age children are hit with every illness. Fingers crossed a weeks break will refresh them all ready for the busy half term ahead.

### TEACHING TIME

I mentioned last week the need for children to be in on time to ensure they access all 'teaching times'. This was received positively and all children are accessing this wonderful time. The children are all enjoying varied teaching sessions and it is a joy to behold.

### FESTIVE TRIP

Please look out for our parent permission for our festive trip after the half term. We will be reliant on adult helpers for this to happen. We are sure you will have a fabulous time!

### A FOND FAREWELL

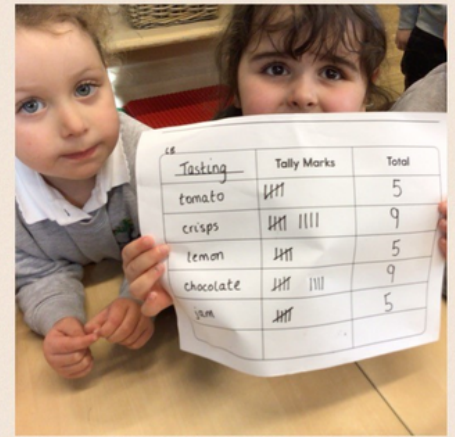

It is with sadness that we say our goodbyes to Mrs Caldwell who will be moving onto new opportunities. Mrs Caldwell (Miss Walker as some of you remember her!) has been an asset to our nursery and will be sorely missed. We wish her well in all she does.

Our learning focus after the holiday is all about celebrations and festivals. we then move on to learning about our world at autumn time.

This weeks thank you is to all our drivers who are parking away from the nursery. Our driveway must be kept clear and I am very grateful as I know this can be a huge inconvenience A reminder that if you require a permit to park closer contact the office.

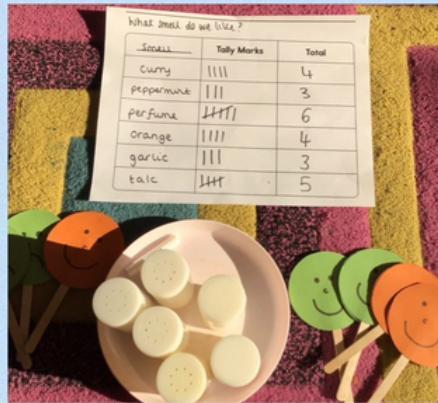

Using our senses to guess the taste 🤔

PIC•COLLAGE

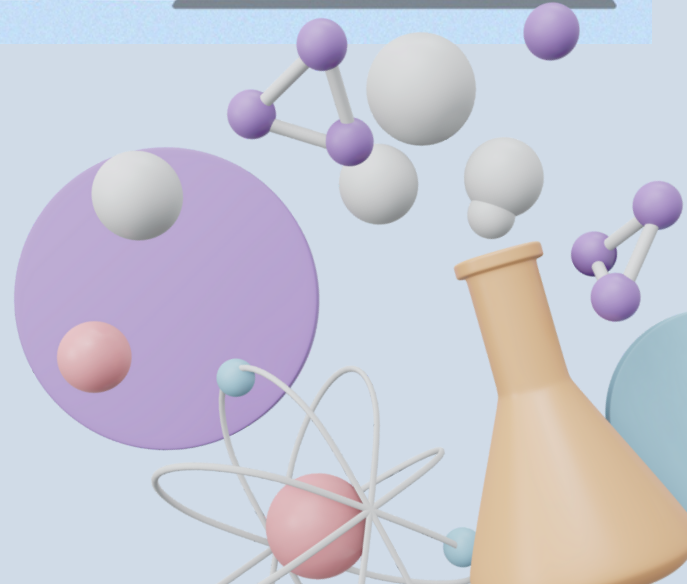

# Using our sense of smell 👃

PIC·COLAGE

# Counting Rhymes

PIC·COLL

In our number lessons we have been joining in with counting songs and rhymes that help us to explore and discuss numbers upto 10 including counting forwards and backwards

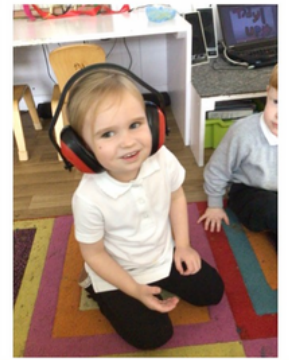

Spooky dancing 🎃 🧛

## Exploring our Super senses

PIC•COLLAGE

This week we have been wondering what can we do with our super senses?

Children have been tasting, smelling, hearing, feeling and experiencing activities that explore all of our super senses.
