THANK
YOU

WOW !! ANOTHER WEEK IS OVER

Its been another week packed with adventures and excitement at Birchfield. Children have been busily carrying on with learning focussed on celebrations here and around the world with some beautiful creations appearing everywhere. We hope you have had some great conversations about this.

AUTUMN WALKS

Autumn walks start Monday with Mrs Bancroft's group. Thankyou to those who have offered help. If you haven't already informed us and would like to come along please contact Mrs rice in the office.

Next weeks big questions is

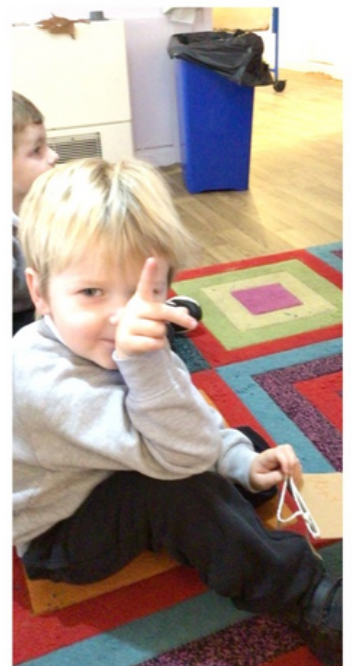

How do we know Autumn is here?

a perfect question to be asking as we adventure to the Woodland walk. Encourage your child to be looking out and noticing seasonal changes. We will be developing some ambitious vocabulary such evergreen and deciduous...yes we really are that ambitious!!!

This week its a thank you to the parents and carers who attended our wellcom information meeting. We know it is hard to get time during the day but we sometimes cannot avoid hosting during the school day. We hope that you found this useful

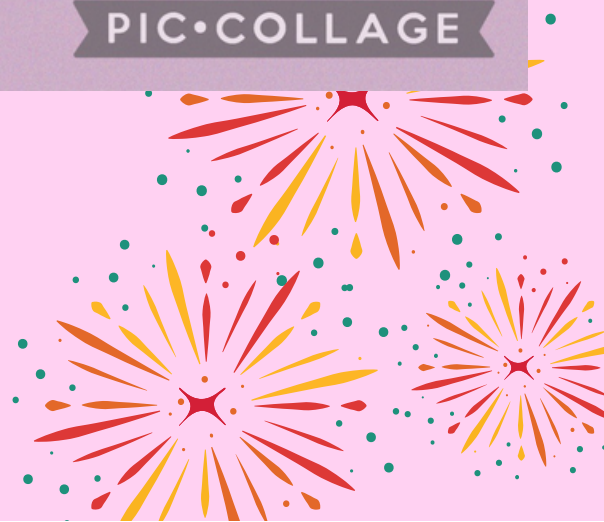

One little finger, one little finger!
This week has been all about the
number 1.
