

Birchfield Nursery School

NOVEMBER NEWSLETTER

No.4

ITS BEGINNING TO LOOK A LOT LIKE WINTER!!!

Just as we finish our Autumn walks the weather has clearly took a chilly turn and suddenly we are surrounded by crisp winter whiteness. With this comes an appeal to please ensure that your child comes to school ready for the weather. Waterproof gloves are preferable to woollen mittens/gloves that quickly get soggy. Hats, scarves, warm waterproof coats are all essential. Please make sure these are all labelled.

MISSING ITEMS

We are having continued issues with items being mixed up or misplaced. We have lots of children in identical footwear in the same size, if you think you have the wrong shoes/jumper/coat at home please return and let us know and we will do our very best to reunite this with the owner. If items are not labelled this is impossible, likewise if they are labelled but not in school. Please help us by keeping an eye on things brought home. Three year olds tend to pick up the first thing they see particularly at hometime!!

Next weeks big Question is

WHAT DO ANIMALS DO IN AUTUMN?
We will be thinking about hibernation and migration as part of our learning challenge

EVENTS

Thursday 7th December
Grandparents stay and play
(survey on school spider)

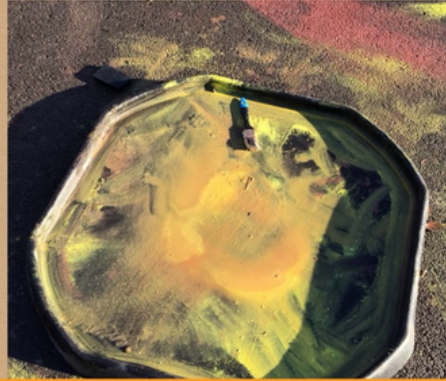

week beginning 11th December
group stay and plays
check events calendar on
spider

Tuesday 12th December
5.30
