

BIRCHFIELD NURSERY SCHOOL

March Newsletter

THE BIG QUESTION

What animals lay eggs?

We will soon welcome our incubator and eggs to allow the children the experience of hatching their own baby chicks. This is always a memorable event at Birchfield. Please ensure you have informed Mrs Rice of any allergies that we need to be aware of.

POLITE REMINDER

Please remember to close the gate if you access nursery at any point to ensure the safety of our children

EVENTS

Overall attendance this week has dipped but understandably so due to the sickness bug that is affecting so many children.

We thank you for respecting the 48 hour policy on returning to school as this then protects other children and staff.

We have increased our cleaning regime and reminders to children to use hand sanitizers regularly through the day. Unfortunately the nature of early years does lead to illnesses spreading.

We continue to ask you to be vigilant if your child is complaining of stomach illness.

GRADUATION
10th July 5.30 @
Wade Deacon

All events can be
found on our
calendar on the
website

We played a game called Cross the River. This game allows children to practise blending and segmenting three sounds of a CVC (consonant, vowel, consonant) word. The children had so much fun. They all could cross the river.

PIC•COLLAGE

Maths in continuous provision. Using the cubes to measure the beanstalks, counting them to find out how big they are.

In our maths group we explored capacity, using 3 different sizes of beakers and water. The children were introduced to lots of mathematical language.

Baking flower biscuits
for spring 🌻

We mixed together the butter, flour and sugar in a bowl,
kneaded the dough and used the cutter to make a flower shape!

HAPPY DAYS

We built a train to go to the seaside!

PIC•COLLAGE

PIC • COLLAGE

We used our knowledge of parts of plants to create some beautiful drawings on our windows 🌸

PIC•COLLAGE

Dancing time

We have used sticks to play along to the music. We had to listen to the instructions. Hitting them fast and slow, high and low, loud and quiet.

PIC COLLAGE

We've been planting some sunflower seeds as part of our learning challenge curriculum.

Some children also found new shoots in our garden.

Where's Wally hunt!
