

BIRCHFIELD NURSERY SCHOOL

June Newsletter

THANK YOU

I want to begin this month's newsletter by saying a huge thank you to all parents and carers for helping to get children to school as close to start of session as possible. Our new start of day routine has already made a huge difference to start of day in engaging children in meaningful maths opportunities. For our children who are moving onto primary this is another step in increasing their readiness for primary school expectations, hopefully creating positive transitions for them.

You will have noticed Carol, our caretaker, being vigilant with parking on the approach pathway in recent days. This approach road is the property of Wade Deacon who allow us to use it for staff, delivery and emergency access ONLY. Parking has always been an issue at the school but this road is also now used as an entry and exit route for their pupils. We have been instructed to ensure that this pathway is not used by the general public. Please help us to keep our pupils safe.

If you have a blue disabled badge or are a childminder, please speak to Mrs Rice for a parking permit to allow you access

Following survey responses we have looked closely at how we communicate with parents. I know that some parents want a weekly newsletter but most of this content is better shared in shorter, more instantaneous ways. You will have noticed an increase in short messages via school spider which, we feel, is more accessible. Our school website is also getting some updates and you will see each class now has its class page updated weekly. We will be having our final parents meetings this half term, you will be notified when booking is open to get a slot with your keyworker. You can always direct questions or queries to any staff member to me for me to pass on at head.birchfield.halton.sch.uk

A REMINDER TO ENSURE THAT CHILDREN HAVE SUN HATS AND SUITABLE CLOTHING FOR WARM DAYS. CHILDREN HAVE ACCESS TO CREAM AND WATER HERE, PLEASE DO NOT SEND IN CREAM UNLESS FOR MEDICAL REASONS. BIRCHFIELD HATS ARE AVAILABLE FROM BOYDELL'S WIDNES.
